

 Collegiate Farm Bureau (CFB) is a student organization dedicated to serving as “The Voice of Agriculture” on college campuses across Nebraska through a variety of education, service and advocacy efforts. CFB offers opportunities for students in leadership and citizenship engagement, career development, service learning and professional networking.

## CHAPTERS

- University of Nebraska-Lincoln
- Nebraska College of Technical Agriculture
- Northeast Community College
- Southeast Community College-Beatrice

*If you are interested in starting a chapter at your school  
visit [nefb.org](http://nefb.org) for more information.*

## COLLEGIATE DISCUSSION MEET

Students involved in CFB are encouraged to participate in the Collegiate Discussion Meet competition.

This event is designed to simulate a committee meeting where discussion and active participation are expected from each participant.

Successful participants are productive thinkers and assist the group in creating ways to implement the solution, highlighting Farm Bureau's involvement.

State winners represent Nebraska at the National Collegiate Discussion Meet held in conjunction with the National Young Farmers & Ranchers Conference.
